

Global Resources to Support Your Business Success

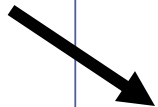

In today's increasingly complex corporate environment, you need professional advisors 24/7, wherever in the world your business takes you.

To ensure this level of service, 14 legally independent member firms have affiliated with **PKF International Limited** to form a team of chartered accountants that is stronger than its parts.

PKF International Limited has experts on call in member firm offices here and abroad. With access to 231 accounting firms in 119 countries, we can connect you to colleagues qualified to provide solutions for your business. Whether you are a manufacturer wishing to explore offshore options, a mining company looking to drill overseas, or a closely held business hoping to sell to the best buyer in the world, we are your link to global connections.
